**Local Anesthesia Update for Dentists and Dental Hygienists**

Friday, June 4, 2010  
7:30 am - 5 pm  
**Hands-On Workshop**  
Given at the UNLV SDM  
Qualifies for 7 CEUs

The University reserves the right to cancel this course not less than 2 weeks prior to the course date. The Continuing Education Department cannot be held responsible for flight changes or non-refundable airfares in the event of course cancellation or rescheduling. Participant cancellations two weeks or less before the course date will not be refunded but the participant may apply the course fee, less an administrative fee of $25.00, to future courses. Cancellations two weeks or more in advance of the course date will receive a refund, less the administrative fee. Your registration will be confirmed within a week. The School of Dental Medicine is located in the 1700 block of W. Charleston Avenue, just west of I-15. Map is available on the web site.
Local Anesthesia Update for Dentists and Dental Hygienists

Dr. Frank Drongowski received his DDS degree from Case Western Reserve University in Cleveland, Ohio in 1966. He completed a residency in Oral Maxillofacial Surgery at Cleveland Metropolitan General Hospital in Cleveland, Ohio and Boston University School of Graduate Dentistry in Boston, Massachusetts. Dr. Drongowski was in private practice from 1971-1983. He then served in the Air Force retiring as a Colonel in 2001. He has held faculty positions at Case Western Reserve University, the University of Southern California School of Dentistry, the University of California School of Medicine in San Diego, the Louisiana State University Schools of Dentistry and Medicine and the U.S. Air Force Residency Programs. Dr. Drongowski is a Diplomate, American Board of Oral and Maxillofacial Surgery and the National Dental Board of Anesthesiology, a Fellow of the American Association of Oral and Maxillofacial Surgeons, American College of Oral and Maxillofacial Surgeons, and American Dental Society of Anesthesia. Dr. Drongowski has lectured extensively to local, state and national dental groups. He is currently a Clinical Associate Professor at the UNLV School of Dental Medicine and LSU School of Dentistry and has a part-time private practice.

Course Description

This course will cover the following topics: 1) Review of anatomy, 2) Trouble shooting missed blocks, 3) Modified Gow-Gates Mandibular Block injection, 4) Second Division Block Injection, 5) Topical Anesthetics, 6) Septocaine, 7) OraVerse, and 8) Local Anesthetic Emergencies. After completion of the lectures, the attendees will have the opportunity to perform a Modified Gow-Gates Mandibular Block and 2nd Division Block on each other.

Educational Objectives:
1. Determine how to correct a missed local anesthetic block based on anatomy.
2. Effectively administer a Modified Gow-Gates and 2nd Division Block.
3. Be familiar with newer Topical Anesthetics preparations.
4. Be familiar with the properties and uses of Septocaine.
5. Be familiar with the properties and uses of OraVerse.
6. Be able to treat complications associated with Local Anesthesia.

Course Outline

7:30 a.m. Registration
8:00 a.m. Review of Anatomy
9:00 a.m. How to improve your local anesthetic success
10:00 a.m. Modified Gow-Gates Mandibular Block
10:30 a.m. Break
11:00 a.m. 2nd Division Block
11:30 a.m. Newer Topical Anesthetics
12:00 p.m. Lunch
1:00 p.m. Septocaine
2:00 p.m. OraVerse
2:30 p.m. Local Anesthetic Emergencies
3:00 p.m. Modified Gow-Gates & 2nd Division Block Injections on each other (OPTIONAL)

UNLV is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. UNLV designates this activity for 7 continuing education credits.
